MEMORANDUM FOR: Chief, Plans, Research & Development Staff

SUBJECT: Placement Follow-up Interviews, PDM

25X1A9a

1. I am returning the subject PDM with a request that you re-work Paragraph 2 to establish as a policy that all new employees will have an initial assignment interview by a Placement Officer. I have discussed this with [REDACTED] and he agrees that broadening the policy to this extent would be highly desirable.

2. The PDM should prescribe that a positive record will be made of the interview and the record will be filed in the official folder of the individual.
